

# Folding paper into a mini-book is easy!

**Step 1**  
Start here

**Step 2**  
Fold it in half away from you  
“hamburger fold”

**Step 3**  
Fold in half again away from you

**Step 4**  
Fold in half to the left or right

**Step 5**  
Unfold to here

**Step 6**  
Starting on the folded side, cut where you see the solid line to the middle

**Step 7**  
Open your paper and it should look like this. The inner solid line above is cut.

**Step 8**  
Open to here and create the folds.

**Step 9**  
Fold in half and your mini-book should look like this when you begin to push the left and right side toward each other.

**Step 10**  
Fold until it's flat and your 8 page mini-book is complete.
